Spring greetings to all! The 2.5 Stock class of Region 10 boats are tuned up and ready to turn out for the season-opener at Lake Lawrence in Yelm at the end of this month.

Expected to enter the Yelm race will be the Squires' "Megabucks", Eacret Racing's fleet, Ray Badger in the S-45, and Dave Solway's "Wa'Atch Me Go". Team Toothpick's latest addition, the S-138, will be there and ready for her first race under this new ownership.

New entrants to the class Conrad Malmo and Jason Aslakson are not planning to be at Yelm but we are ready to welcome their debut into this racing class soon. Jade Deatherage reports that Team Toothpick's "My Joy" will show her stuff at the Soap Lake race this summer.

Have fun – be safe – go fast!!!
